

## **Edwin Jenkinson Limited**

Edwin Jenkinson Ltd is a family operated shellfish merchant based in the seaside town of Scarborough on England's North Yorkshire coast. They pride themselves on the freshness and high quality of their locally caught shellfish which they trade worldwide daily. The company specialises in 2 areas; brown crab and European blue lobster, both of which are locally sourced. Edwin Jenkinson Ltd work closely with local fishermen to ensure only the finest product, whilst making sure catches are sustainable.

The company currently operates from 2 factories: a vivier facility and a shellfish cooking facility. Products are then transported directly to loyal customers' doors. Their market is continually expanding with daily deliveries to Europe and Asia.

### ***Species:***

*Brown crab, lobster.*

## **The Blue Sea Food Company**

The Blue Sea Food Company is the largest crab processor in the UK and their facilities have BRC grade A accreditation. They offer whole crab, crab claws, hand-picked and machine extracted crab meats both fresh and frozen for the food service and retail markets. The company sells throughout the UK, EU and Asia. Their aim is to make their fantastic Devon crab more accessible to a wider audience through a range of crab meats as well as a growing list of value-added crab products including their Devon crab pasty, crab terrines and crab cakes. The Blue Sea Food Company also exports live crab and lobster around the UK and Asia. With their team of 150+ staff processing in excess of 2,000MT / year they look forward to supporting you with all of your crab needs.
